

Policies Aligned by ChildNet 3.0 For Child Development Homes

The Alignment Chart is designed to identify the policies required of the Iowa Department of Human Services (DHS) Child Development Home (CDH) regulations, the Quality Rating Improvement System (IQ4K) Levels 1-3, ChildNet Certification and/or Best Practices. The chart also identifies in which of the ChildNet 3.0 training sessions the policy is reviewed or identified.

	Health Related Emergencies	Caring for Mildly Ill Child	Confidentiality	Guidance & Discipline	Minimizing Expulsion and Suspension	Approved Developmental Screening Tool	Daily Schedule	Tobacco/Nicotine	Supervision
