Best Practice
Goal I will work on in my program: In order to elevate the importance of celebrating culture and diversity in our program, I will create a statement to be included in our policy book and orientation process by 4/10/2020

Action Plan			
Action Steps: 1. Create a statement on the importance of Culture and Diversity 2. Hold and document parent/child conferences-share statement and provide copy of new policy book 3. Add highlighting Culture and Diversity statement in orientation script.	Resources/Needs: 1, computer, policy book, example statements. 2. copies of updated policy book	Person Responsible: 1. Jane Sue/CCR &R CCC 2. Jane Sue/Staff	Target Date: 1. 4/2/2020 2. 4/2/2020 3. 4/10/2020

Notes

Review			
Date 4/20/20	<input checked="" type="checkbox"/> I know I achieved this goal because: I held an orientation and shared our new statement with the family as we went through the policy book.	<input type="checkbox"/> I am making progress toward my goal and will keep implementing my Action Plan.	<input type="checkbox"/> I need to make changes to my Action Plan to achieve this goal by revising the goal or changing the steps.
