Child Care Program \_\_\_\_\_

Health and Safety Checklist Completed on \_\_\_/\_\_\_/\_\_\_

Average Health and Safety Score \_\_\_\_\_

The Health and Safety Checklist Action Steps is designed to be completed by the child care program after the Health and Safety Checklist assessment is conducted. The Summary Form is organized by section and subscale. Please refer to the completed Checklist for item numbers:

- In the right column write down the item # of standards where your program does NOT meet the National Standards
- List action steps needed by your program to meet the National Standards
- The last box is a place for notes and your short term and long term goals

**Section 1: Facilities: Emergencies, Medications, Equipment and Furnishings**
