

Teaching and Learning Assessment

Program/Provider:

Date:

Required for Level 3:

Upload a blank assessment tool used, for each age group served, into the online IQ4K application. List the name of the assessment tool or process used for each age group served. If your program doesn't serve an age group, just list N/A. Tool should address different domains of development to assess the whole child.

Infant

Toddler

Preschool

School Age

Describe when you assess all children enrolled.

Describe how you are using your ongoing observations to align your activities and curriculum to support all children's learning.

Required for Level 4:

Explain at least two ways you've used assessment data and information gathered about children and families to make changes in their learning environment and activities.

1.

2.
