

Provide Nutritious Meals To Build a Healthier Future

The **Child & Adult Care Food Program (CACFP)** reimburses money to state-registered providers who serve nutritious meals and snacks to children in their care. The goal of the program is to provide nutritious meals to children, introduce them to a variety of foods, promote good eating habits and provide opportunities for them to learn about foods.

Examples of meal requirements to earn reimbursement while participating in CACFP:

Breakfast:

Milk, bread or grain, fruit, vegetable

Lunch:

Milk, bread or grain, meat, fruit, vegetable

Snacks:

Two of the five food groups (meat, milk, bread, fruit, vegetable)

Estimated reimbursement for 6 children for 1 month:

The average monthly reimbursement for serving 6 children a breakfast, lunch and snack every work day for one month is between \$280 to \$600.

Record keeping options:

Recordkeeping is available by paper or online claiming, depending on sponsorship.

- Only 5-10 minutes per day!
- Meal records must be kept for tax purposes so why not get paid for keeping them!
