9. Cyber Security and Back-Up Records: Provide information about your procedures for protecting electronic records as well as having back-up copies of records.

Protecting your computer hardware	
Protecting your computer software	
If your computer is destroyed, critical documents are maintained and available	
Back-up records, including a copy of insurance policies, facility plans, bank account records and computer back-ups stored in a secure location (fire/water resistant safe)	
Providing continuity if accounting and payroll records are destroyed	

10. Continuity of Operations/Recovery: Planning for an emergency or disaster also includes thinking about what issues you may have and what resources you will need after an emergency or disaster. The goals of continuity of operations/recovery are to:

- Repair/rebuild your facility/building and restore services as quickly as possible;
- Meet the needs (physical, health and emotional) of children, families and staff; and
- Provide a supportive and caring environment that brings normalcy back into children’s lives
