

# Iowa Early Learning Standards Planning Process

<b>1</b>	<b>describe the situation, skill, issue, or concern to address</b>
<b>2</b>	<b>identify area of development</b>
<b>3</b>	<b>determine standard</b>
<b>4</b>	<b>select benchmark or benchmarks</b>
<b>5</b>	<b>choose adult supports to reach benchmark or benchmarks</b>
<b>6</b>	<b>design and implement the plan</b>

Use the Iowa Early Learning Standards 3<sup>rd</sup> edition to complete the six steps to address a situation, skill, issue, or concern. This template is one model to use for intentional planning.
