

## Enrichment Activities

### Session 10: Putting It All Together

Please pick one of the activities to complete before the child consultant follow-up visit. Many of these activities are tied to ChildNet Certification, so reference the ChildNet Certification Checklist for Session 10 under the Certification tab in your Participant Manual for further guidance.

- ✓ Identify a childcare or personal issue that affects the families and children in your area. Create a plan of how to be a voice.
- ✓ Assess current program practices to ensure quality standards.
- ✓ Develop a professional development plan based on identified goals.
- ✓ Connect with Child Care Consultant to continue ChildNet Certification process
