Looking for flexible training options?

You can find online training that can be taken at any time using i-Power

Select filter

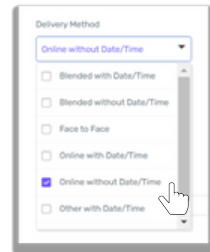

You will see many boxes. Find the 3rd box down on the left

From the drop-down menu you can filter by "Online without Date/Time" to find traditional online training classes that you can take anytime.

You will then click on

You can then scroll through the options listed to find the class you wish to take. There are several pages offered. If you want to learn more about a class, you must click on the title and scroll down to read about the class. You can find more information on the class description or enrollment information to help find the online training website to take the training.

Once you find the class you are interested in taking, you will click

For additional information, please get in touch with your Child Care Consultant or Email
